Our Mission:
Bringing families hope,
one individual at a time.

There are times when a young man will come to our stabilization center with little or no clothing or personal hygiene items. These items are greatly needed for the boys at AMAD's Place, our nonprofit home for boys in Milwaukee's central city.

Amad's Place

The boys, who are between the ages of 12 and 17, find solace at AMAD's Place after something has gone wrong in their home.

At AMAD's Place, we provide caring, structure and stability -- and make sure that the boys continue their schooling.

Eventually, with our help, the boys may go back to their own homes or perhaps be placed with a loving foster family.

The program manager of AMAD's Place has prepared this Wish List of items that are needed by the boys and by the home. We would be grateful for any assistance you can give us!
